COMMENT OF THE WEEK

Chimera-ning 4 days ago Report

Every week whenever this updates I immediately read it. I then text my friend something like "HOLY CRAP GABRIELS MOM PISSES ME OF". Then we rant for the next hour about how the chapter wrent and what we thought of it. Its like a little book club each week, we read a chapter and give our thoughts, it's great. If she spends the night on the weekend we read it together and take on character roles. This story gives us something to get excited for every week. Thank you for writing this.
